

CONFLICT MANAGEMENT

- Are your people struggling to work together effectively?
- Do you have frequent blow-ups in the office?
- Do you battle to resolve differences?

An organisation that cannot manage conflict is an inefficient organisation.

Resolve underlying team conflict

Build a cohesive efficient team

Extract your teams full potential

PROGRAMME OUTLINE:

- The Importance of dealing with conflict in a team.
- Why conflict occurs.
- Understanding the different conflict styles.
- How to apply conflict models and theories to manage conflict.
- The reward of effective conflict management.
